4813 N 75th Way

**Proposed Start Date**

April 1st

**Proposed Completion Date**

April 30

**Description of Change**

I would like to pave my driveway. The driveway I have now floods. Every time there is a rain the damage to the front of my home gets worse. We've looked at putting a drain in the driveway, but that would not be a guaranteed fix. The best way to prevent the flooding is to pave the driveway at a slant.

I would like to use grey pavers.

Photo is attached.
