We have switched the Home Tour and Rummage Sale dates. **The tour of beautiful, remodeled homes as well as artists displaying their paintings is on Saturday, March 9. Details to follow.**

LRC: What is LRC? It's **Left Right Center**, a fun game with no skill required, just a desire to have fun and possibly win one of three jackpots. Each game is played with \$3, and what fun it is to see if you will be a winner. Bring \$9, BYOB, and snack to share. Be prepared to have a fun evening!

PLASTIC BAGS: We will make plarn (plastic yarn) from plastic grocery bags. Bring clean grocery bags to park and a pair of scissors. The plarn will be used to crochet mats for the homeless by others.

NEIGHBOR TO NEIGHBOR: Welcome to our new residents: Karen Kelly has moved to 4810 N 74th Place; Theodore Connell has moved to 4854 N 74th Place; and Charles Davis and Salena Bowman-Davis have moved into 4838 N 74th Place. Lots of new residents on 74th Place.

PARK: New solar pool heater rings are keeping the pool nice and toasty. Please remove **all** rings and place on cool deck when using the pool. Let's go for a dip! A flip lock has been installed on the front gate for easy exit. Five new blue umbrellas have been purchased, lampposts on the shuffleboard court have been repainted; and the storage area, kitchen, and pump room have been cleaned and reorganized. Terry, Mary, and other volunteers have been busy these past months.

NEWSLETTER: In order to save \$\$ (and trees) we are not going to print a copy of the newsletter for every home. It will be emailed to everyone and will also be on the website. If you do not have email or desire a hard copy, please let Heather know and a copy will be delivered to you.

Happy Valentine's Day!
